During the recent Lakshadeepa mahotsavam, we conducted a meeting at Manavala Mamunigal sannidhi, Nanguneri, to express the initiatives taken by mutt to coordinate kankaryams in a better way. Our sincere thanks to many of the sishyas/abhimanis for attending that meeting. As we told you during the meeting we are trying to revamp the present set up and infuse fresh thoughts into the system. In this endeavour we would like your participation in providing suggestions, improving the ways of working and efficiency in general and uphold the age old sampradayam and tradition our Mutt stands for, in specific.

To this extent we have identified a broad list of Kankaryams that one can participate in. We request the mutt sishyas and abhimanis to actively participate in the kankaryams organized by our mutt. Please fill in the web-form (https://docs.google.com/forms/d/1fbeOLU0kjjcOBxpi9n0zAm1_zELSnem-0ojsM9oZ39A/viewform) so that we get a feel of what you intend to do as kankaryam. Please fill in the form and submit the same to us online as soon as possible. A word of caution, as expressed in the meeting, Vaidikam will drive Lowkikam and not otherwise. With the above in mind let us put together our efforts and work as a team.

Srimath Paramamhamsa Ithyadhi Madhurakavi Vanamamalai Ramanuja Jeeyar Swami sends his mangalasanams to all of you.
